

XIX OPEN CATALONIA INTERNATIONAL PITCH & PUTT Vallromanes P&P – 10th-12th April 2026

With the objective of organising a successful International Open which will be celebrated on April 10th - 12th of 2026, at the Vallromanes Pitch & Putt course in the town of Vallromanes, Barcelona.

The Tournament Committee has established a preliminary pre-inscription date of 4th March 2026 in order to ascertain the approximate number of participants attending the tournament, especially those from other FIPPA associations. This will allow the organising committee to estimate the potential dimension of the event. The definitive closing date for inscriptions is March 10th 2026.

Those players, pre-inscribed, will have first preference and will be allocated guaranteed participation assuming they comply with the prerequisite norms applied to the competition. In case a FIPPA member association exceeds the suggested limit of available places, every effort will be made to accommodate those players in the likely event of vacancies from other FIPPA member organisations.

PARTICIPANTS

The initial regulation for inscriptions is:

60 players from PPI

15 players from PPBN

15 players from AAPP

10 players from AGPPA

10 players from EPPFE

8 players from NPPF

5 players from other FIPPA associations.

75 players reserved for affiliated playing members of the hosting member FCPP.

10 players reserved on behalf of the organising committee.

The Catalan Federation of Pitch & Putt will determine which Catalan players will have direct placement based on the most recent Catalan championships and the current Ranking League. Subsequent places for local participants, if the demand for spots is lower than the available spots, will be determined through an open qualifying competition to allow all interested individuals the opportunity to attend the Open. The qualifying competition will take place on the 27th, 28th, and 29th of March 2026. There will be no qualifying competition for Catalan players if the number of available spots exceeds the spots allocated to Catalan players.

The international competition itself will be held on the , 10th 11th and 12th April with a total of 216 participants. There will not be a “cut”.
